TIFF Junction 4.1
Release Notes

1   UPGRADING FROM AN EARLIER VERSION

- This release requires version 4.0 of the .NET framework. The setup will check whether this is installed on your system and if not, will take you to the appropriate Microsoft site to download and install .NET 4.0.

- To upgrade from earlier versions request a new license key from Aquaforest: sales@aquaforest.com.

If you have any questions about upgrading to version 4.1 please contact Aquaforest support: support@aquaforest.com
